

MEMBERS TeleHealth

Convenient. Affordable. Healthcare from Home. What You Get With Members TeleHealth

Visit a doctor or physician by mobile app, video or phone.

Visits are convenient, private and secure. Protection of your personal information is our priority.

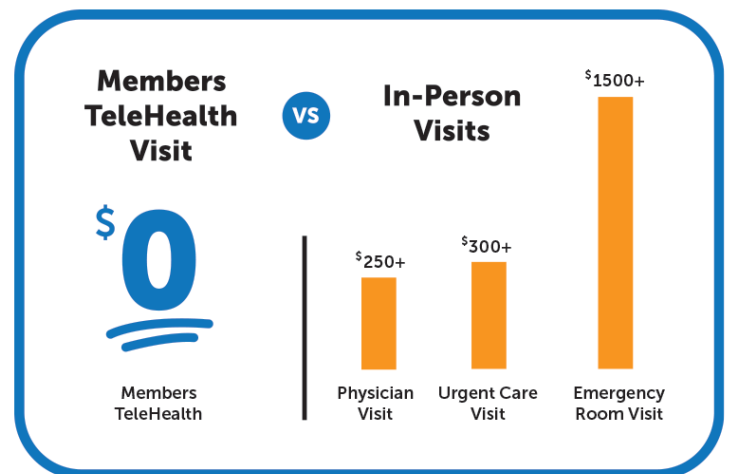

Avoid the inconvenience and high costs of going to the emergency room or urgent care center.

Prescriptions can be sent directly to your local pharmacy if medically necessary.

Members TeleHealth is a telemedicine service providing virtual access to a doctor for non-emergency medical issues. Through this plan, NAR members receive 24/7/365 access to MDLIVE, a network of over 2,300 U.S. state licensed and board-certified physicians who are professionally trained to provide treatment through smartphone, tablet, or computer.

Common issues treated include allergies, asthma, flu, fever, virus, headaches, rashes, joint aches, urinary tract infections, nausea, infections, pink eye, acne, and more.

Limited Time Special Offer:

SASid and REALTORS Insurance Place are paying for a 60-day free period for first-time subscribers. After this 60-day free period, you can easily cancel this service, OR, if you prefer to keep it, then your payment method on file is charged \$7 per month. Cancel at any time – no questions asked.
